

PBS Endo Enterprise

Patient Registry

PBS Endo *Clinical* is a suite of features to capture and control the clinical side of your practice, with a special visual design that is intuitive and comprehensive without being complicated.

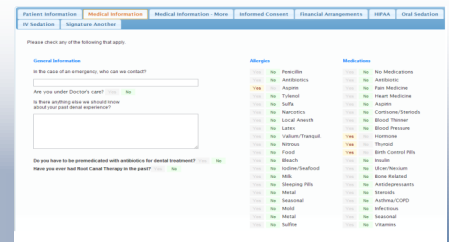

The Clinical Suite in PBS Endo

- EndoChart
- Health History
- Interviews
- Prescriptions
- Images & Radiography
- **PATIENT REGISTRY**

The exclusive Patient Registry captures patient data in or out of the office.

- Device Independent
- Captures Demographics, Health History, and All Signatures
- Customize with your signature words and paragraphs
- Links directly into Patient and Health History information
- Secure offsite and HIPAA Compliant
- Independent from your website
