

PBS Endo Enterprise

Health History

PBS Endo *Clinical* is a suite of features to capture and control the clinical side of your practice, with a special visual design that is intuitive and comprehensive without being complicated.

The Clinical Suite in PBS Endo

- EndoChart
- **HEALTH HISTORY**
- Interviews
- Prescriptions
- Images & Radiography
- Patient Registry

The Health History is in the Clinical Suite.

- Fast, Easy, Thorough
- Customize the words for pinpoint accuracy
- Tabbed interface to hold lots of information
- Record the status, condition, and details
- Attach scanned forms to see the original
- Import from Tablets and offsite input
- Locked as part of the legal record
- Automatically organize the Health History in a customized document to send to referrals

Date: 12/18/13 Attachment: Scan MedHist etc View
